Johnson RV Medford, OR

Dear Hiring Manager,

I am writing to apply for the Detailer position at Johnson RV's Medford location. I am a Medford resident actively seeking full-time work and am drawn to this role because of my attention to detail, ability to follow precise standards, and genuine interest in the RV industry.

I want to be upfront: I do not have prior dealership detail experience. What I do have is a consistent track record of reliable, accurate work under production expectations, the ability to learn procedures quickly, and the discipline to maintain quality over a full shift. At the United States Postal Service I maintained under a 4% error rate processing thousands of items daily in a fast-paced environment. At Harry and David I processed high volumes of orders with consistent accuracy during peak seasonal periods. Both roles required sustained focus, following exact procedures, and meeting throughput goals — the same discipline detailing work demands.

I hold a valid Oregon driver's license and currently drive as an independent contractor, so operating vehicles on a lot is not a concern. I am comfortable working outdoors in all weather conditions and with physical demands including standing, bending, kneeling, and lifting. I take direction well, work independently once trained, and show up reliably.

Please note: I am recovering from a minor surgical procedure and will be fully cleared for unrestricted physical work beginning approximately June 19, 2026. I am available to interview immediately and can discuss a start date that works for your team.

I am a fast learner who takes pride in a finished product. I would welcome the opportunity to prove myself and contribute to Johnson RV's reputation for a premium customer experience. Thank you for considering my application.

Sincerely,

Allen Schultz 801-550-0865 allen.schultz@gmail.com
